WSK INTERNATIONAL SERIES 2010

CRG AND MAXTER WITH THE OFFICIAL TEAM AT WSK EURO SERIES AND WSK WORLD SERIES 2010

THE OFFICIAL PARTICIPATION IN THE TWO INTERNATIONAL WSK SERIES 2010 CONFIRMED BY CRG AND MAXTER. ENTRIES TO THE EUROPEAN SERIES – WHICH IS DUE TO START NEXT 7TH MARCH ON THE INTERNATIONAL CIRCUIT LA CONCA AT MURO LECCESE - ARE ALREADY MORE THAN 200

Lonato (Brescia, Italy), 3rd February 2010. Entries for the 2010 edition of the WSK Euro Series have reached the 200 participants. The Series will start from the International Circuit La Conca at Muro Leccese next 7th March and it will be the first of the five European meetings.

A good success which confirms the leadership gained in karting by this championship at international level, both for the competitive quality of its participants and for the first rate technical challenge.

CRG and Maxter will participate with their official team in the 2010 WSK Euro Series together with other top constructors, such as Birel and Tony Kart; with them they will also take part in the new, fascinating world challenge of the WSK World Series. CRG and Maxter have supported the WSK Euro series since the beginning, because of their organizing and promoting capacities which, during these last few years, have been meeting the sports expectations of constructors and teams.

The continental series of the WSK Euro Series 2010 will be contested in five meetings: after the opening race at Muro Leccese the other meetings will be at Lonato (28th March), Zuera (18th April), Genk (9th May) and Sarno (6th June).

The new WSK World Series will be contested on three continents, with meetings in Europe (Portimao, Portugal, 3rd July), United States (Millville, New Jersey, 1st August) and Africa (Egypt, Sharm El Sheikh, 31st October).

The programme of the WSK 2010 is completed by the new national series WSK Master, structured in three meetings in Italy (Siena 29th August, Val Vibrata 26th September, Castelletto 10th October) and in the WSK Nations Cup event at Muro Leccese on 28th November.
